November 25 Soviet press carries text of Khrushchev speech at lunch for Kekkonen and reports that talks were held on "questions connected with Soviet October 30 note". Although noted that Kekkonen also spoke, press gives no indication of content his remarks. Papers report that after lunch Kekkonen visited Novosibirsk affiliate of USSR Academy of Sciences and attended ballet performance in evening. Appears from press coverage that Khrushchev-Kekkonen met only for official talks in morning and at lunch. Tass ticker reports Kekkonen departed Novosibirsk for Moscow November 25.
